

All Unit Safety Officers – An invitation to Join FLWG’s Membership with the National Safety Council.

I am excited to announce that **FLWG Civil Air Patrol is a proud a member of the National Safety Council (NSC)**. What is the National Safety Council and what can it do for us?

About the National Safety Council - The NSC Vision: *making our world safer*

The nation's leading safety advocate for [more than 100 years](#), the National Safety Council is a nonprofit organization with the mission to save lives by preventing injuries and deaths at work, in homes and communities, and on the road through leadership, research, education and advocacy. Working to make the world [measurably safer](#), NSC advances this mission by engaging businesses, government agencies, elected officials and the public to help prevent the fifth leading cause of death in the U.S. – unintentional injuries.

- The Council is data driven, relying on research to inform best practice solutions to safety issues.
- To make the greatest impact, NSC focuses on where the most preventable injuries and deaths occur.
- Acknowledged as the go-to source for safety, NSC provides a variety of educational opportunities.

As a member, what does it mean for FLWG CAP?

As a member of the National Safety Council, FLWG is able to use the resources, publications, news and training opportunities, provided by the NSC. Using these resources as a tool to broaden the safety education of our members will contribute greatly toward the goal of developing FLWG’s safety culture.

I encourage each of you log on to the National Safety Council website and register as part of the FLWG Civil Air Patrol membership.

On the NSC website, click on “Sign In” then First Time Users with NSCID.

First Time Users

(Member, Instructor, Training Center, Chapter)

Register using the FLWG NSC ID 2079454, your zip code, and your last name and “Submit”. Once you hit submit, you will see the FLWG Civil Air Patrol Membership. Select and Submit. From there you can follow through with putting your own personal contact information into the system. This will allow you to access the members only portion of their website resources.

I encourage each of you to take some time to peruse their site and read the membership brochures.

If you have any questions, please do not hesitate to contact me directly.
